

Savannah Tree Foundation's Plant-a-Tree Program

Give the gift of a tree. For a donation of \$50 or more, STF's Plant-a-Tree program enables you to help plant trees and to commemorate the life of a loved one or to honor a special person, birthday, wedding, anniversary, or holiday – or to recognize any other special event.

All trees will be planted at the next community volunteer tree planting following your donation. Tree plantings occur in the late fall, winter and early spring. Individual trees are not designated with a plaque, but an acknowledgement is sent to someone you designate and gifts are listed in our biannual newsletter and donor lists. These living tributes and memorials contribute to the quality of life in our community for generations to come.

Please note the average cost for STF to plant a tree is approximately \$175 which includes 2 years of maintenance. We accept a minimum donation of \$50 per tree.
