

Because Trees are Hard to Wrap...

*Give the promise of a tree through **Savannah Tree Foundation's** Holiday Plant-a-Tree program. For a 25 dollar donation, a tree will be planted in honor of someone special this holiday season.*

Visit SavannahTree.com or call (912) 233-8733 to share the joy.

Since 1982 the Savannah Tree Foundation's advocacy work for tree preservation, protection and plantings across Chatham County has positively impacted our local community. This organization's work can be seen along the White Bluff Road median, the entrance road to Bacon Park Golf Course, the campuses of Georgetown Elementary and East Broad Street School, adjacent to the ball fields on Hunter Army Airfield and numerous other public places throughout the county.

The Savannah Tree Foundation is supported by the generous donations of fellow tree lovers like you, who know that the trees we preserve and plant today will be enjoyed by future generations.

In addition to keeping the lights on, our organization is in need of volunteers and donations to sustain our programs of tree preservation, protection and planting. Your gift to the Savannah Tree Foundation is tax-deductible and will help us promote sound urban forestry practices throughout Chatham County.

We appreciate your interest in Chatham County's urban forests and thank you for your support.
